GOVERNMENT TRAINING COLLEGE,

MYSORE.

D.O. No. P.

DATED Aug. 24. 1921.

Dear Sir

In connection with the memorial I have submitted to Government, may I have your kind permission to submit that

i I am not asking for any extraordinary treatment but simply what other people, with qualifications some of which are even inferior to mine, are given — namely the grade of Rs 500-50-1000.

ii This I may I may be given on account of my being (a) the Principal of a post-graduate college the strength of which is really greater than that of other colleges of the state, the responsibility of which is the training of the teachers to the State — the value of which can not be overestimated.

(b) the son of the soil possessing the highest professional degrees in the world.

I sincerely trust that this long pending question will receive at your kind hands a speedy solution. The fact that my college is not under the university can hardly be a reason why my merit should be ignored

Thanking You in anticipation

I remain,

Dear Sir

Yours very Respectfully

OFFICE OF THE INSPECTOR GENERAL OF
EDUCATION IN MYSORE.

Bangalore, Dated 8th August 1921

FROM

THE INSPECTOR GENERAL OF EDUCATION IN MYSORE.

TO K. MATTHAN, ESQ., B.A.
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture.

SIR,

I have the honour to ~~forward~~ submit, for the orders of Government, a memorial from Dr. S. Paul Chinnappa, Principal, Training College, Mysore, addressed to the Secretary to the Government of Mysore, Departments of Education and Agriculture, requesting that he may be placed in grade 500-50-1000.

I have the honour to be,

Sir,

Your most obedient servant

B Dasappa

Deputy Inspector General of Education,
In charge of the
Office of the Inspector General of Education.

TNR/8-8

The Representation of Dr. S. P. Chinnappa to the Government of His Highness the Maharaja of Mysore.

To

The Secretary to Government
in the Departments of Education and Agriculture,
B A N G A L O R E.

Through

The Inspector General of Education
in Mysore, B A N G A L O R E.

Sir,

In kind consideration of my memorial submitted to Government two years ago to improve my status compatible with my qualifications and the work entrusted to me, Government were pleased to order that pending the creation of the Teaching Faculty at the University, my salary may be fixed at Rs.400/- a month. But for reasons known to Government the Teaching Faculty has not come into existence in spite of more than two orders of Government for its institution.

The postponement of the B.T. degree course has affected my position now and may also do so in future; however I feel constrained to submit that my position has been made very uncomfortable and inconvenient.

I beg to submit, for the kind consideration of Government the following:-

i. I am a son of the soil, a loyal subject of His Highness the Maharaja.

ii. I have travelled round the world on an educational tour and studied the Science and Art of Education in the most notable Universities and have earned the highest professional degrees in the world and I am therefore a thoroughly professional and technical man.

iii. In our University, people have been employed who have taken degrees in their own line, but none I should think has a higher degree in his line than I in mine.

iv. My work is of the post-graduate standard, while there is mostly of the undergraduate and what is more, many of them are not doing as much work as I have been and I am the Principal of a professional College while many of them are not.

v. In spite of these facts they are given salaries which are very much higher than I have been.

It is hardly necessary for me to state that my qualifications apart from my duties and responsibilities have not obtained adequate recognition at the hands of Government.

I beg to submit that I have thrown myself heart and soul into my work with a keen desire to serve my country and my sovereign His Highnes the Maharaja. At the commencement of my present career on my return from foreign countries, I did not bargain for conditions of service; neither did I look out for more lucrative position elsewhere although there were and still are tempting opportunities in British India. My life's work is in the land of my birth- Mysore and I am proud of it.

But when I see people coming into Mysore service from outside are given salaries twice as much as, if not more, than, I have been, while their work and responsibility are not half as much as mine, I beg to submit that I am forced to feel not only disappointed but also keenly humiliated.

The institution, the postponement or otherwise of the B.T. course cannot I submit constitute a sufficient reason why the settlement of my case should be deferred- a case which has to be decided independantly on its own merits such as -

1. My being the native of Mysore,
2. My possessing the highest professional degrees,
3. My holding responsible position as the Principal of a Professional College of the Post-graduate standard.

I beg to submit that no man of my qualifications in India or in Foreign countries is given a status lower than that of a Senior Professor in a University and I confess my inability to understand why I should be made to suffer even in my own country.

I, therefore pray that Government will be graciously pleased to place me atleast on a par with Senior Professors of our University and ~~to~~ grant me the grade Rs.500-50-1000 - which is quite possible within the sanctioned budget for the Training College for the year 1921-1922.

I have the honour to be,
Sir,
Your most obedient servant,

Mysore
Aug. 1921.
